Welcome

Welcome to West Coast Family Practice your choice Family Primary Care Providers!

We thank you for choosing us to be your primary care provider(s) and appreciate the opportunity to serve your family's health care needs.

In order for us to provide you with the excellent care and service in our office(s), we are presenting our policies to assist you in obtaining quality service.

Upon confirmation of your appointment we have set up your Patient Portal Account (Patient Fusion) which will send you a link to your email with a special access code to your health care portal. This must be done within 48 hours. This will also allow you to save time at your appointment by completing our necessary Health Information Forms electronically.

You may also visit our website: www.WCTAMPA.com to download and print the New Patient Packet forms for completion prior to your appointment date in addition to submitting an appointment request directly through our EMR system. You may also find more information and up to date resources to assist you.

Please feel free to contact our office(s) for your health concerns or questions.

Best wishes,

From the West Coast Family Practice Team
